# EVENT RULES!

## **Please Obey All Instructions from Our Marshals**

Marshals can be identified by their reflective safety vests or badges. These volunteers are here to keep you safe in the designated spectator locations.

If you bring a dog they must be kept on a leash at all times.

## **Please Respect Our Landowners**

They have graciously allowed us to use their property so that we may continue racing on the best rally roads in North America. We are the guests of Green Diamond Resource Company, and they ask us to follow a few simple rules:

- NO SMOKING
- NO ALCOHOL
- PLEASE STAY IN DESIGNATED SPECTATOR AREAS
- PLEASE KEEP THE FOREST CLEAN

A message from our Land Owner.... Welcome, spectators to Green Diamond Resource Company's private working forest lands in Washington State. Green Diamond harvests patches of forestland each year to provide wood products to a worldwide marketplace. At the same time, these working forests protect clean water and soils, sequester carbon while producing clean air, provide habitat for fish and wildlife and, of course, give us open space for recreation. Enjoy.

## **Parking**

Parking will be very limited at viewing locations. We highly recommend carpooling.
